

MINI-SHOPPER 4715 Commercial Three-Wheel Scooter

DRIVE UP YOUR PROFITS WITH THE MOST RELIABLE MINI-CART ON THE MARKET.

IDEAL FOR:

- Mini-Malls
- Outlet Stores
- Home Improvement Centers
- Lawn & Garden Centers
- Drug Stores
- Convenience Stores
- Grocery Stores
- Big Box Retail Stores
- Shopping Malls
- Department Stores
- Discount Retailers

The Mini-Shopper 4715 is the only mini-scooter that offers a standard rear-wheel transaxle drive with a heavy-duty rigid frame. Competitors' standard belt, chain or direct-drive systems can't stand up to the performance of a Mini-Shopper's maintenance-free transaxle drive. It's that simple. Your customers will come to rely on its simple operation and comfortable features, such as the handy removable shopping basket. Employees will love the Mini-Shopper because it's virtually maintenance-free. Just plug it in regularly and it's ready to go. With a dependable solid-state electronic module and 24-volt power source, we've maximized run times – up to 20 miles on one charge! And for those rare maintenance times, its streamlined internal design has no chains, belts or pulleys to hassle with. Don't take a chance with your return on investment. Be sure to buy the mini-cart that lets 'em keep shopping.

DESCRIPTION:

The Mini-Shopper 4715 is a rear-wheel transaxle drive scooter with a heavy-duty steel frame. This model features a dependable solid-state electronic module and 24-volt power system using maintenance-free AGM batteries and an on-board CSA/UL certified charger. Standard features include three solid rubber, non-marking tires, a reverse warning signal, dynamic regenerating braking system and easy-to-use fingertip controls. The Mini-Shopper also features an easy-to-clean, high gloss scratch-resistant deck (color impregnated).

APPLICATIONS:

Designed for use within a retail environment, this heavy-duty scooter is ideal for grocery stores, drug stores, discount stores, and many other facilities featuring streamlined aisles. It maneuvers narrow aisles with ease and is extremely "user-friendly." The optional, removable basket lets your store checkout personnel perform their job easily and efficiently, like no other product of its kind.
