

PONY EXPRESS 1020 Motorized Material Handling Cart

GET A HANDLE ON WORKER INJURY RISK AND DRIVE UP PRODUCTIVITY.

IDEAL FOR:

- Office Buildings
- Warehouses
- Manufacturing Plants
- Hotels/Resorts
- Healthcare Institutions
- Theme Parks
- Universities
- Libraries

Decrease the chances of serious injury with the versatile Pony Express motorized material handling cart and mail room cart in one. This unique platform truck, with its double-duty capabilities, can easily handle just about any payload – up to a half-ton! Your employees will love it. Time studies prove that the Pony Express allows them to work smarter and faster to get the job done. Forget pushing or pulling ordinary non-powered carts. They can cause worker fatigue and increase the potential for injuries. Fingertip controls allow for one-hand operation. A rugged suspension system and safety features like emergency stop make this cart a must-have. Eliminate unnecessary risk, increase productivity, and make your workplace work for you.

PONY EXPRESS 1020 Motorized Material Handling Cart

- Rugged Spring-Suspension System with Center Wheel Drive

- Totally Enclosed, Maintenance-free Transaxle Drive System

- Proportional, Finger Controlled Speed Throttle

- Mail Room Rack and Basket Assembly

- Sturdy Construction tubular frame with reinforced steel
- Free-Wheel Mode (when key is in off position and brake is released)
- Solid State Modular Control System with Heavy Duty 24-Volt Electrical System
- Anti-Skid Deck Mat
- Water Resistant Electronics
- In-Motion Alarm with Adjustable Volume Control
- Emergency Stop Switch

DESCRIPTION:

Double-duty capabilities make the Pony Express cart twice as valuable. Use it in its basic configuration as a motorized material handling cart with a weight capacity of 1000 pounds (450 kg) or add the mailroom basket assembly for delivering mail and packages. Fingertip controls, center wheel drive for easy maneuvering, and an onboard charger make the Pony Express incredibly easy to use. A host of convenience and safety features are built in.

APPLICATIONS:

The Pony Express is designed for use anywhere a standard push/pull cart is used. And the handy mail accessory allows for easy transport in the office for your mail, maintenance items or office supplies.
